Hi!

My name is Diego, and I'm 14 years old. I'm writing to you because my secondary school (IES de Brión) is taking part in an exchange with yours.

I live in an estate, which has about 50 individual houses. I live with my parents, Francisco and Marisol, and my sister Clara who is 6 years old.

At the moment, I don't know if you are a boy or girl, and my question is if you would prefer to sleep in my bedroom, because I have two beds next to each other, or in my sister's room, you alone.

We haven't got any pets at home.

My hobbies are not very special. I play in a basketball team, but I do more sports like tennis or cycling... I also like meeting up with my friends, watching the television, playing the piano, or listening to music (rock-pop) like... Franz Ferdinand, The Kooks or Oasis. What type of music do you like?

During the week, I have some extra activities in the afternoon, like English private lessons, basketball training, or piano.

Now, I have some questions for you...

Have you got any allergies?

Have you got a hotmail account? (my account is diego_41_cidras@hotmail.com)

What are your hobbies?

Do you do any sports?

I look forward to seeing you here in Brión!

I hope you are going to enjoy it

Diego
