HI:

Today I am very tired because in the morning we were in the British Museum and the Camden Town. The British museum has got a lot of Sculptures. In the Camden town we had two hours free. Then we went to the Lilly hotel and we took the bus and went to Brighton, we spent two hours in the bus. In Brighton we had the worst bedroom because it was small and we felt apart of the group. Brighton is very beautiful, but I missed London and Spain.
