

Hi!

I'm writing to you because my high school (I.E.S BRIÓN) is taking part in a exchange with yours.

My name is Patricia and I'm fourteen years old.

I live with my parents, Victor and Blanca, my brother Abel, who is seventeen years old and my sister Laura, who is twelve years old.

I live in an estate near the high school. My house has a small garden, a swimming pool for the summer and basketball, tennis and football courts.

I like playing basketball, and I play in a basketball team in Santiago, called C.B. CLUNY. I go training three times a week and at the weekends I have matches.

I also like meeting up with my friends, going shopping and walking around Santiago. Another thing that I like is to travel and to meet new people from different countries, so I think that I'll enjoy the exchange a lot.

My favourite film is "Life is beautiful" and my favourites books are Harry Potter and a book called "The boy in the striped pyjamas". I really love listening to music, my favourite bands are Arctic Monkeys, Green Day, Franz Ferdinand, Pereza, Extremoduro..

I look forward to seeing you here in Brión. I also look forward to receiving your letter and to find out more about you.

If you have a hotmail account please, add me, my account is [patricia\\_94-@hotmail.com](mailto:patricia_94-@hotmail.com)

I hope you are going to enjoy the exchange!

Kisses and hugs,

Patricia Fernández García
