Brión - A Coruña

Hi !

My name is Tamara ( you may call me Tammy ). I´m writing to you because my school ( IES de Brion ) is participating in an exchange with yours.

I´m 14 years old and my birthday is on 18th February, so I am Aquarius.

I am a girl who is a cry-baby when it comes to sad films, when I am happy and when something is amazingly beautiful.

I love music: pop,rock,latin,soul..... I like all music !!!

My favourite colour is red and black and my favourite food is pasta. In Galicia the food is excellent and the Galician people eat a lot, but we aren´t very fat.

In my free time I love roller-skating and going shopping when I´m at home, I like dancing and do stretching in my bedroom. How about you?

See you soon !!!

Tamara
