

Chave de Ponte - Bastavales nº 10
20th October 2008

Hi,

My name is Daniel. I am 15 years old.

I am writing to you because my school (IES de Brión) is participating in an exchange with yours.

I like playing football, playing tennis and watching formula one and moto GP.

What about you?

What are you looking forward to about the exchange?

See you soon.
