Hello,

My name is Brais Lorenzo Villar, I'm fourteen years old and my birthday is on February 14<sup>th</sup>.

I'm writing this letter because my school (IES de Brión) is taking part in an exchange with yours.

My favourite sport is football, but I like all the sports. I play in a football team called "Santiago". I play football four times a week and sometimes five. My favourite football team is the Real Madrid.

My favourite group is Coldplay, I like all their Cds but especially "X & Y".

My favourite series are 24 and Lost and my favourite actor is Kiefer Sutherland.

I have got a dog called "Lía", she's a Cocker-spaniel.

I live in a big house, with a swimming pool and a big garden.

So that you know I am not allergic to anything.

For the exchange I'm looking forward to improving my English.

I look forward to seeing you here in Brión.

See you soon

Brais
