

Hi,

My name is Joaquín and I am fourteen years old.

I am writing to you because my school (IES de Brión) is participating in an exchange with yours.

My favourite activities are playing football and computer games, how about you?

My favourite school subjects are Mathematics and English.

I have some questions for you, for example,

Do you like going to the cinema?

Do you like chocolate?

What are you looking forward to about the exchange?

I look forward to seeing you here in Brión.

See you soon

Joaquín
