Hi!

My name is Belén. I am 14 years old.

I am writing to you because my school (IES de Brion) is participating in an exchange with yours.

I live with my parents, my sister and my dog.

I love roller-skating and dancing.

I haven't got any allergies.

I am looking forward to doing the exchange because I want to visit London and your city and to improve my English.

See you soon

Belén
