

Brión, 21 October 2008

Hello!

My name is Laura and I am 14 years old.

I'm writing this letter because my school IES de Brion is participating in a exchange with yours.

My favorite activities are listening to music and my favorite sport is cycling and skating.

I love cats and I have two white cats and a brown dog!

In my home there's my mother, my father my uncle and myself.

I go to school and I like English and Physical Education.

I am looking forward to visiting London. And get to know people.

I look forward to seeing you here.

I hope you are going to enjoy it.

BEST WISHES.
