Hi!

My name is Delia and I'm 14 years old. I'm writing this letter because my school, IES Brión, is participating in an exchange with yours.

I live in Os Ánxeles, in a flat, but it is on the groundfloor and there's a little garden. I live with my mum, Eva. She's an English and French teacher. I've got a sister, but she's 19 and she studies in France. My father lives in Ciudad Real, in Castilla-La Mancha. So that you know, I'm from Ciudad Real, but I live in Galicia for this school year.

I've got a cat. Her name is Caterina, but I call her Cat.

Once a week I go horse-riding (I love horses) and music classes. I love music. I like Jonas Brothers, Green day, Nightwish and lots more. My favourites films are Camp Rock and Pirates of the Caribbean. I love a youtube series called Death Note. I think it's very exciting.

I haven't got internet at home. When I want to surf the internet I go to Brión. There's a ciber place free for everybody.

So, I really love sports. My favourites sports are football, basketball and equestrian sports.

Write to me

Delia

P.S: So that you know, I haven't got any allergies.
