

Hello,

I am Álvaro and I am 14 years old.

I am writing because my school ( IES Brion) is participating in a exchange with yours.

My home is beautiful and big, and my family (brother, mother and father) live there.

My interest is watching football matches, the Tour de France, basketball and my studies.

I have two dogs and two turtles at home. I love playing football, basketball, tennis, watching the TV etc...

My favourite food is pasta (spaghetti, cannelloni,...) and my favourite teams are:

Depor, Liverpool; Arsenal; DKV Juventud and Astana (I support Alberto Contador).

I hope that you are going to enjoy it.

See you soon.

Álvaro
