

## DEAR DIARY:

### 1st DAY:

Today was a long day; I am very tired, because we walked a lot .  
We went by underground and by bus. First, we went to Kenistong, we saw a lot of museums, roads and statues. Then we went to the typical site Nothing Hill, It had got a lot of souvenir shops.  
In the noon of the day we went to the center of London, we had got free time to buy our food and some souvenirs.  
We had got problems with the hotel and we had to search another hotel to sleep.

### 2<sup>nd</sup> DAY:

Today was a long day and I am very tired too. First Xulian and I woke up late, we had breakfast very fast and I hadn't a good breakfast. Then we went by underground to the center of London and today we saw the most important monuments of London: the Big Ben, the River Thames, London Eye, Henry VIII, Harrods, Chinatown, Tower of London, etc.  
Today I took a lot of photos, but I am very tired.

### 3<sup>rd</sup> DAY:

Today we saw our English friends, but we didn't see all of them because they couldn't come.  
Xulian and I had to be leader of the group and we were a little lost but at the end we found the way to the British Museum. Its one of the best museums in the world. In this museum we went to the Italian area, the Greek area and the Egyptian area. After that, we went to Brighton by bus, for 3 hours, and here we saw the hotel, Brighton Pier and we ate a hot dogs and fish and chips.

### 4<sup>th</sup> DAY:

Today we woke up at 8 o'clock and we had a good breakfast. Next, we went by bus to Newhaven Fort, and Dario, Joaquin and I were the first to finish the work. Then we went to the beach. Then we had dinner in an Indian restaurant, I didn't eat too much, because I didn't like the freak food. We went to the Brighton Pier, it was a funny day.

### 5<sup>th</sup> DAY:

Today was a confusing day, because we didn't know what hour we should wake up, because the alarm of the mobile phone was without battery, but we woke up in time. In the morning we had a free day, and we played rounders and we had lunch in a picnic.

### 6<sup>th</sup> DAY:

Today was a difficult day. In the morning we woke up at 8 o'clock and we had breakfast at half past eight. The weather was rainy and windy, but we

went by bus to Seven Sisters. We walked a lot of time while it is raining and cold. We had lunch at half past twelve in an old farm.  
Food was very nice. We came back to the hostel by bus, and we had a shower.

#### 7<sup>th</sup> DAY:

Today we woke up at seven o'clock and we had breakfast at half past seven. Today was a funny day because we learnt to play cricket. It is a sport similar to the base ball or rounders, but I don't like this sport because it is too much slow for me, I like harder and faster sports.

#### 8<sup>th</sup> DAY:

Today was the best day for me because we went to the Falmer School, and we had a normal day in this high school. We woke up at seven o'clock and had breakfast at half past seven. In this school we had four classes: music, cooking technology, drama or theatre and Spanish. Next we could choose three activities to do after the school: basketball, gym or street dance.

#### 9<sup>th</sup> DAY:

Today was the saddest day, because it was our last day in Brighton and the English students made a party to say goodbye. We had breakfast at half past seven, and we caught the bus, but we lost the first. First we visited Lewes, it is a beautiful city, and next we went to the party.
