2<sup>nd</sup> day:

Today was our first day in London. We saw a lot of things like famous buildings, places,...I'm really tired because we had to walk a lot, but London is really big and we had stayed a lot of time travelling by underground. In the center of the town we caught a famous red bus it had two floors and a lot of people travelling in it. At the end we had a lot of free time to have lunch and I bought a Led Zeppelin T-Shirt and a Guns 'n Roses CD. Today was a really good day;;.

4<sup>th</sup> day:

Today was our last day in London I am a little sad because I love this city. At the beginning we went to the British Museum. We couldn't see everything because it is really really big...is enormous. We have stayed at the Roman zone, Indian zone, Greek zone and a kind of Viking zone.

Fantastic!!! Afonso explained to me a lot of things of the monuments that I saw. After that we have gone to my favourite place of London: Camden Town. It is a really peculiar place with a lot of freak shops. Reagge shops punk shops Beatles shops with a lot of cds and t shirts. I bought a Guns n Roses T-shirt in a gothic shop and I ate at a Kentaki Fray Chiken like in "Family Guy". London is wonderfull; We left London and arrived to Brighton at night and we had dinner at the Pier Michael my friend come to visit me.

The English system education is really good they have a lot of diferrent lessons it is so funny. At the end of the day we went to Jena's father Shop to play excalestic. Miky won and he was really happy.

10<sup>th</sup> day:

. Today was our last day here in Brighton. We went, all together, to Lewes. A typical English place. Then we had free time to eat and buy something to our parents, I bough some tea. After that we went to have lunch in a big and beautiful garden.

. In the afternoon we had free time in the Brighton Pier and I played my last match at Guitar hero. Finally we had a party with our friends andli will miss them. A rock band quite good played in it. I didnt cry so much...HAHA. We were so sad because I think we will not meet there no more. This 2 weeks that I stayed here were fantastic, the teachers were really good and we had a lot of happy moments. I hope to do it again!!!
