**Hello!!**

**My name is Aixa and I am 14 years old. I'm writing because my school IES Brión is taking part in an exchange with your school. I think that we are very lucky to be able to do an exchange.**

**In my free time I like listening to music, sleeping and meeting up with friends.**

**I don't like any sports...I am very lazy when it comes to sports and other things. I don't like running or anything like that.**

**I have a dog and it's name is Coky. I would like to have a hamster but my father doesn't like these kind of pets.. He doesn't like animals. He bought me the dog because he promised me when we moved to Brion. Before that I lived in Ourense. I didn't want to leave Ourense but now it's very good here and I prefer it.**

**I live with my mother,father and brother. Sometimes my grandmother comes to our house.**

**I argue a lot with my parents...I can only put up with my brother...His name is Ezequiel and he is 20. Now we don't fight really...When we were smaller we were all day fighting and shouting!**

**I am looking forward to visiting London. I would like to go to the London eye. I would like to see your high school and to see if it is like those in movies.**

**I look forward to seeing you here.The town isn't very big but it has a school and a high school, a medical centre, a shopping centre...**

**I hope you are going to enjoy it.**

**See you soon.**

**Aixa**
