

Urb.Paseo de Pedrouzos N° 22

21st October 2008

Hi!!!

My name is Carme and I'm 14 years old.
I'm writing because my school IES Brión is taking part in a exchange with yours.

I live in front of the high school. I live with my mum, my brother and my dog, Coocky. My brother is older than me. He's twenty-three. My brother and I sometimes are friends, but most of the time we fight over everything!

I live near all my friends, so I meet them every afternoon. Twice a week I go to ballet and every Friday I skate.

I look forward to seeing you here in Brion.
I hope you are going to enjoy it and that I do as well.

See you soon

Carme
